DECLARATION

I authorise the switch of my investment(s).

I confirm I have read and understood the key features document, pre-sale illustration, key investor information document(s) and terms and conditions of Aegon.

I understand that switches between funds usually take two business days to complete, depending on the valuation point for my chosen fund(s).

I am aware that my investment will be out of the market for a period of time whilst the switch is taking place and that there may be the potential for loss of income or growth if the market rises whilst the switch is pending.

I understand that if I am switching a fund(s) that I hold within more than one product I must submit a separate switch instruction per product. For a joint Aegon GIA, all registered holders signatures are required.

Non-Advised Status

I confirm that I have not received any advice from Chelsea Financial Services and I understand that any investment or transaction I may choose to make is on an execution-only basis and that I am responsible for all investment decisions.

Notes

- In the majority of cases, we endeavour to process instructions received by the end of same business day, but this may not always be possible depending upon the type of instructions and the valuation / dealing point(s) of the fund manager(s) concerned.
- Instructions received after 10.30am GMT, or on a non-working day, will be processed the next working day. We will always try and get you the quickest valuation point but we cannot guarantee any valuation point.
- If you tell us to sell a specific cash amount you may not get the exact amount you asked for. You may get more or less depending on the unit/share price(s) at the relevant forward dealing point(s).
- Partial and full sales of funds are permitted.
- If you are switching out of a fund(s) that you are investing into through a monthly saving you will need to submit a separate instruction to amend your monthly saving. If you do not do so, your existing monthly saving will remain unchanged and continue into the same fund(s).
