

Chelsea Checkup

Application Form

A Chelsea Checkup will help to keep you informed about your portfolio. Simply complete the form below and overleaf and include an Agent Registration form for each fund provider and we will take a look at your investments. Whilst we can't offer client-specific advice, we will provide you with unbiased information on how your funds are performing.

A Chelsea Checkup is available at no extra cost to you.

In addition we refund to you any initial commission earned on PEP/ISA transfers and switches, making your portfolio management cheaper.

The completion of an agent registration form for each fund provider is essential to enable us to proceed with your checkup.
