Please indicate the choice of funds you wish to sell. Please note this form should not be used to fulfil any additional withdrawal instructions. If you do not indicate how your investment(s) should be withdrawn, we will automatically withdraw proportionately across your Investment Funds. This will maintain your current fund percentage.

Please enter the cash amount to be withdrawn from your investment fund holding: £

Please note: we cannot guarantee the exact amount that your deal will realise, which may result in over/under payment in respect of the withdrawal amount you require. Please refer to Section 9 for more details.

8 Investment selection

I wish to invest in the funds indicated (for further details about the available funds, please refer to the Key Investor Information Documents (KIID) and/or Fund Key Features Document). Please note you must not exceed your combined stocks and shares and/or cash JISA allowance of **TBC** in the 2020/2021 tax year.

Please tick this box if you would like to invest proportionally into the Investment ISA within the same funds as stated in Section 7.

Please invest no more than £ in total.

You can only choose commission-free share class funds. If you do not indicate the share class, we'll select the commission-free share class fund, where available. Please ensure the funds are available through Cofunds. Please note: if your intermediary has agreed exclusive share classes with a fund manager for your selected funds, we'll always invest in that exclusive share class and not the share class you've selected below.

*ACC/INC - If you do not specify ACC or INC in this column, Cofunds will invest into accumulation units/shares where available.

**Cash Facility - Money may be held for short periods in the Cash Facility. Such holdings are deemed 'destined for investment'. Please note this will be included as part of your ISA allowance. You should bear in mind that any money left over in the Cash Facility beyond a short period of time may result in HMRC requesting that your JISA tax benefits are removed.

9 Excess balances (if applicable)

Transferring your Investment Funds holding into a Junior Investment ISA may result in an excess balance. The value of your investment fund holding may change between the time you complete this form and the deal being placed. This is due to daily price movements.

We will automatically reinvest any excess balance from your withdrawal into the highest value commission-free share class fund within your investment holding. If you would like your excess balance deposited into your Cash Account, please specify using the tick box below:

Please pay any excess balances into my Cash Account.
We will apply this option as a default if no commission-free share class funds are held within your investment holding.

Please note, any excess balance from a third party/joint holder withdrawal will be paid into the third party/joint holder cash account.
